Let's Testify

BY KITTY DAWSON

My testimony is I am Healed by the Stripes of Jesus! Isaiah 53:5. The doctor diagnosed me with Gastritis in October 2021, and I had to take charge of my health by eating Whole Foods, fasting, and eating more fruits and vegetables. I changed my lifestyle to working out and consistently declaring and decreeing healing over my gut. However, approximately 3 weeks I experienced anxiety over what the Dr. told me. I really had to pray as my thoughts were anxiety enforced.

Furthermore, I began doubting what God told me.. Finally one morning while on my knees God said "healed by the Stripes of Jesus walk in it." I already knew this however this day I removed all the faith training wheels and believed God's word. I'm healed by the stripes of Jesus. So it is so. As of May 25, 2022 the inflammation in my stomach has improved and my anxiety is gone. I trust God's word higher than any doctor. Bless God.

Secondly, my son was hit by a hit and run driver last year which resulted in 2 broken legs. He had 2 blood transfusions and a shoulder injury, which resulted in my son to stay in the hospital for several months. I'm happy to shout as of May 25, 2022 my son's legs are healed 100% on his right leg and 99% on his left leg. God I praise you for your loving kindness.

DUTCH SHEETS BY MIT DEBORAH ASKEW

America Will Be Saved

Dutch Sheets is an internationally known conference speaker, and author of over 23 books including his bestseller *Intercessory Prayer: How God Can Use Your Prayers to Move Heaven and Earth*. He has been teaching on prayer for over 30 years. He is well known for his apostolic and prophetic teachings.

While Sheets does cover international prayer needs and current events, his primary focus is leading Christians in united prayer for America. He has labored for many years praying and interceding for America.

In 2015, Sheets launched the popular "Give Him 15" daily prayer app where he encourages believers around the world to unite in prayer for 15 minutes each day. The app provides a devotional, a scripture and a prayer - tools to get one started on spending 15 minutes (or more) with God. The "Give Him 15" videos and podcasts, (seen on dutchsheets.org:Let's Pray Together:Give Him 15), were birthed from a prophetic word received by Dutch Sheets in which God asked, "Will you give me 15 minutes?" "Will you give me 15" was a prophetic cry from the heart of God for this nation. It is a mandate that Dutch Sheets and his intercessors have undertaken to carry out. It calls for believers to give God 15 minutes a day in prayer as their continual appeal to Heaven.

Let's Highlight (cont.)

In a CBN News interview of Dutch Sheets by Paul Strand, ("I Will Save America:2/25/2018), which can be seen on the streaming services such as YouTube and Facebook, Sheets expands on some of the interactions he has had with the Lord, and what he has been shown concerning America. He details the encounter of "how God is giving mercy to America once again." Dutch Sheets said, "Our nation was founded on prayer and God is going to use prayer again to bring a re-birth and great revival to the United States."

Open my eyes that I may see (2 Kings 6:17)

Open my understanding that I might understand the scriptures (Luke 24:45)

Open my eyes that I may behold wondrous things out of thy law (Psalm 119:18)

Open my eyes so I can know thee (Luke 24:31)

Let's Learn

BY PROPHETESS CARRIE LYNCH

Isaiah 56:10 His watchmen are blind: they are all ignorant, they are all dumb dogs, they cannot bark; sleeping, lying down, loving to slumber.

This scripture shows four poor traits of a watchmen: Blind (unable to see), ignorant (lacking knowledge), dumb (incapable of speaking), and slumber (asleep).

Therefore, effective watchmen are:
Sharped eyed to see in the spiritual realm.
Wise and skilled in watching,
Vocal to declare what they see.
Vigilant to spot the enemy.
