Let's Testify

Elder Prophetess Wanda James

I just bought a house about a month ago. I was looking for a washer and dryer. I tried different major stores in my city. One particular store had a sale on both washer and dryer. They offered lease to own.

The company that they dealt with was planning to charge over \$1,000 extra. I cancelled the deal. In less than 24 hours, a friend of mine telephoned me to tell me about a dream she had concerning me. I began to share with her my experience trying to purchase a washer and dryer. She prayed for me and within 2 hours, I went to an appliance store and received a Washer and Dryer much cheaper. They will deliver and set up for less amount than the major department store wanted to charge me. Guess what? The washer and dryer are in my favorite color (Burgundy and it is a front load washer). God gave me my heart's desire as my girlfriend and I touched and agreed.

The prayer team is always available to pray with you. Send your prayer requests to letspray30@gmail.com

Let's Learn

Prophetess Carrie Lynch

There are different types of intercessors. Birthers are visionaries in the spirit. They pick up revelation in the spirit and speak it in the earth realm. They see and perceive the plan of God. Intimacy with the Lord must take place for this to happen. As they pray in the spirit and meditate the vision becomes clearer.

Birthers give birth to dreams and visions planted by the Lord. We need birthers in the land to establish the will of God in the earth.

Let's Remember

Billy Graham by MIT Deborah Askew

Billy Graham was one of the greatest evangelists this generation was privileged to have heard and seen. He preached the gospel to the ends of the earth. Billy Graham surrendered his life to Jesus Christ at the young age of 15. In 1940 as a young college student Bill Graham knelt down at the deceased John Wesley's bedside and prayed "Do it again Lord, Lord, would You do it again. And would You do it again with me."

Billy Graham's life purpose was borne out of prayer, shaped by prayer and strengthened by prayer. Even at the age of 99 Billy Graham continued his ministry through prayer at his home in North Carolina. Once Billy Graham was asked why do we need to pray. He answered, because life is a journey and we need God's strength and guidance along the way.

Quote from Billy Graham: "Pray because Christ died to give us access to the Father. Pray because God is worthy of our praise. Pray because we need His forgiveness, cleansing, guidance, and protection. Pray because others need our prayers." (Source: Billy Graham Library online.)
